NASSTAR

MICROSOFT VIVA CONNECTIONS AND VIVA INSIGHTS BUNDLED PILOT

This pre-packaged pilot is designed to help organisations in the early stages of implementing an employee experience platform within Microsoft Teams. This pilot provides a bundled offering including Viva Connections* and Viva Insights for up to 100 licensed users.

> **Viva Connections** is a curated, branded experience that brings together relevant news, conversations and resources in the apps and devices you use every day.
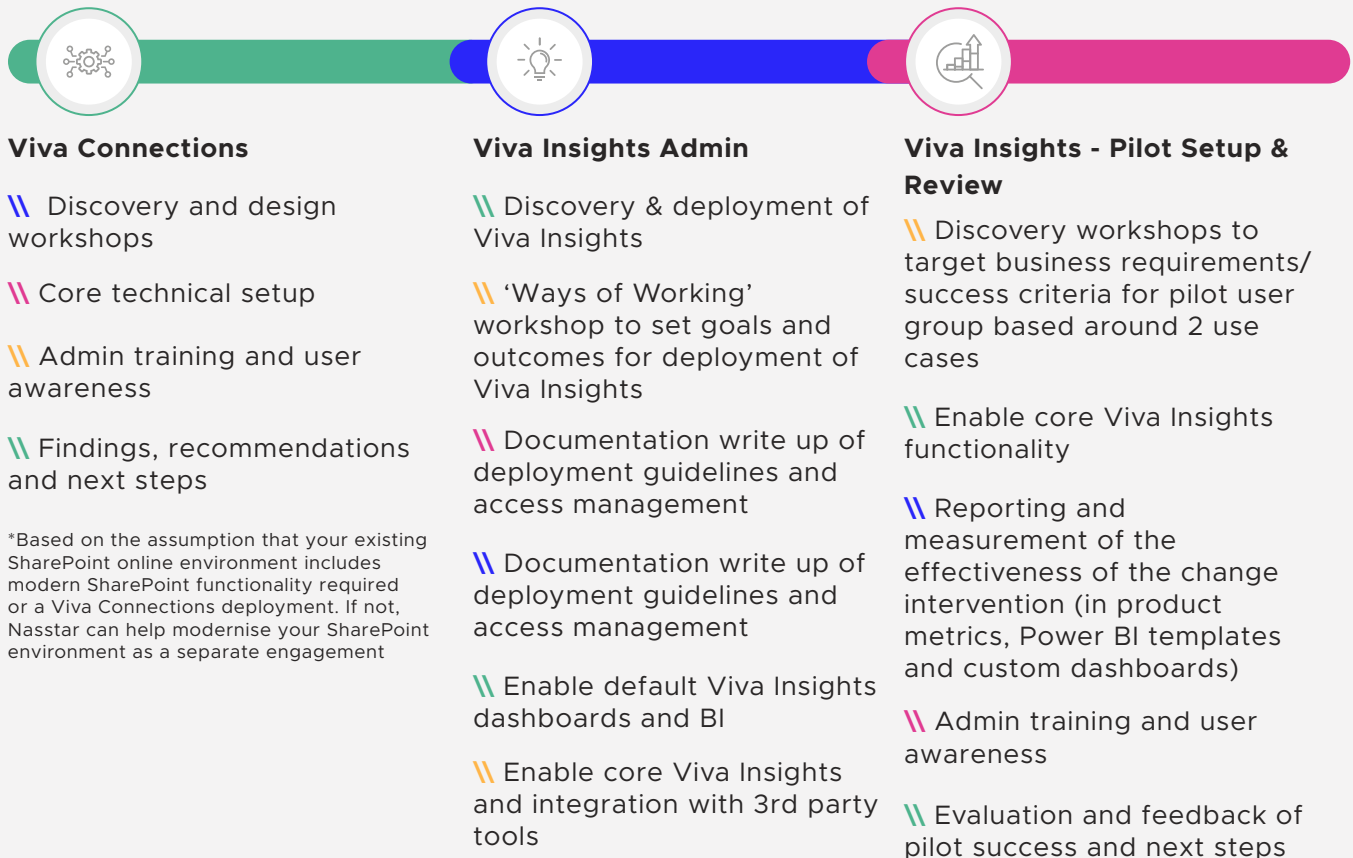

> **Viva Insights** helps improve productivity and wellbeing with data-driven, privacy-protected insights and recommendations.

KICKSTARTING YOUR EMPLOYEE EXPERIENCE PLATFORM

Viva Connections is an integral part of your Viva journey underpinning all other pillars of Microsoft Viva (including Viva Insights, Viva Learning, and Viva Topics). Viva Insights enables you to implement data-driven decisions and best practices across your business and your employees.

Our first step is to gain an understanding of your SharePoint environment, which will take place prior to the workshops.

WHAT'S INCLUDED

Viva Connections

\\ Discovery and design workshops

\\ Core technical setup

\\ Admin training and user awareness

\\ Findings, recommendations and next steps

*Based on the assumption that your existing SharePoint online environment includes modern SharePoint functionality required or a Viva Connections deployment. If not, Nasstar can help modernise your SharePoint environment as a separate engagement
