

MICROSOFT VIVA CONNECTIONS AND VIVA LEARNING BUNDLED PILOT

This pre-packaged pilot is designed to help organisations in the early stages of implementing an employee experience platform within Microsoft Teams. This pilot provides a bundled offering including Viva Connections* and Viva Learning for up to 100 licensed users.

- > **Viva Connections** is a curated, branded experience that brings together relevant news, conversations, and resources in the apps and devices you use every day.
- > **Viva Learning** Empower people with this centre for employee learning in Microsoft 365. Help them discover and share professional training resources across your organisation and track their learning progress.

KICKSTARTING YOUR EMPLOYEE EXPERIENCE PLATFORM

Viva Connections is an integral part of your Viva journey underpinning all other pillars of Microsoft Viva (including Viva Insights, Viva Learning, and Viva Topics). Viva Learning puts knowledge at the forefront of your employees' lives and can integrate with existing Learning Management Systems (LMS).

Our first step is to gain an understanding of your SharePoint environment, which will take place prior to the workshops.

WHAT'S INCLUDED

		
<p>Viva Connections</p> <ul style="list-style-type: none"> \\ Discovery and design workshops \\ Core technical setup \\ Admin training and user awareness \\ Findings, recommendations and next steps <p><small>*Based on the assumption that your existing SharePoint online environment includes modern SharePoint functionality required or a Viva Connections deployment.
